

- Curtains are mandatory as per the provisions of the Motor Vehicle Rules for All India Tourist permit buses.
- Curtains are used as security to the foreign/domestic tourists especially females as exposure to public will attract high security risks and also attract bad elements which will risk the lives and security of tourists.
- Tourists, especially foreign tourists are not in a condition to expose to direct heat from sun through glasses in the absence of curtains.
- Direct sunlight damages the seats and interior of expensive vehicles.
- Tourists feel secure and comfort in a vehicle with curtains.
